MOBILE COMPUTERS

BEST

TC8000
- Ergonomic design keeps the display always in view
- Hot swap battery
- Scanning options

TC8300
- Android OS
- Reliable WiFi with 2x2 MU-MIMO
- Triple shift battery power & management
- Standard/DPM Configurations

TC70x/TC75x
- Android
- Wi-Fi / 4G LTE/GSM
- Ultra-Rugged 2.4m drop
- 1.8 GHz hex core processor

TC72/TC77
- Android
- Wi-Fi / VoLTE
- 5MP front/13MP rear camera
- Ultra-Rugged 2.4m drop

MC9200
- Choice of OS
- Choice of 8 scan engine options
- Choice of keypad layout
- Proven rugged construction

MC9300
- Android OS
- GMS with Restricted Mode
- Standard/Freezer/DPM Configurations

VC80x
- Android OS
- Inside the 4 walls WiFi
- Freezer Ready - Heated, Rugged Keypad
- Built for extreme environments

BETTER

TC51/TC56
- Android
- Wi-Fi / 4G LTE/GSM
- Active Edge Touch Zone
- 1.8 GHz hexa-core processor
- 5 in. capacitive touch display
- Healthcare option

TC52/TC57
- Android
- Wi-Fi / VoLTE
- Active Edge Touch Zone
- 5MP front/13MP rear camera
- Qualcomm SD660 octa-core, 2.2 GHz

MC3200
- Choice of OS
- Choice of form factors
- Straight shooter, pistol grip or turret bar code scanner
- Choice of keypad layout

MC3300
- Android OS
- Choice of form factors
- Straight Shooter, 45 degree, pistol grip or turret
- Long Range Scanning
- Choice of keypad layout

WT6000
- Wearable terminal
- New mounting system for superior comfort, hygiene and safety
- Multi-touch capacitive touch display

GOOD

MC18
- Inside the 4 walls - WiFi
- Choice of OS
- Large all-touch display
- Precision+ battery

PS20
- Inside the 4 walls - WiFi
- Android
- 5MP Front-facing camera
- 4 inch capacitive touch display
- Rich Locationing Support

TC20/TC25
- Android
- Wi-Fi /LTE/GSM
- 4.3 in. capacitive touch display
- Choice of bar code scanner
- PTT pre-installed
- All-day power

ET51/ET56
- Choose Android or Windows
- Accssories for any use case
- 4G LTE Support
- Low TCO

BARCODE SCANNERS / RFID READERS

BEST

DS3600 Series
- Ultra-rugged design, superior performance and unrivalled manageability
- Unprecedented performance and instantly captures even the most problematic barcodes
- Go beyond the barcode with advanced features and management tools

MP7000
- High throughput POS environments
- Largest scan volume in its class
- Reduces power use and minimises breakdown and maintenance costs
- Integrated support for Digimarc®

CC5000-10"
- Consumer tablet experience with enterprise class features for retail
- 1080p multi-touch display
- Allow customers to look up information, make purchases and receive personalised offers
- Android based

MC3300R RFID Readers
- Inventory management, order fulfillment
- Ultra-fast read speeds
- Superior RFID read range and performance
- Lightweight; rugged design
- Android (Nougat) platform

FX9600 RFID Fixed Reader
- Top-of-the-line performance
- Unrivalled deployment simplicity
- Rugged design for industrial environments.
- 4/8 ports configurations

BETTER

DS8100
- Unprecedented performance; instantly captures even the most problematic barcodes
- Advanced features and management tools
- Avail in Standard and Healthcare versions (disinfectant-ready housing for HC versions)

DS7708
- Largest field of view
- Omni-directional scanning
- Superior out-of-box experience
- Scan virtually any barcode in any condition, on any medium

DS9908-SR/HD
- True hybrid handheld and hands-free flexibility
- Unprecedented performance instantly captures problematic barcodes, and offers high performance swipe capability
- Advanced features and management tools
- Avail in Standard and Lab/versions

DS9908R-SR/HD
- True hybrid handheld and hands-free flexibility
- Capture RFID tagged merchandise at POS with the retail model
- Read RFID tags on blood bags and other specimen samples using the lab model
- Avail in Standard and Lab/versions

RFD8500 RFID Sled
- Multi-OS and multi-platform
- Fast RFID tag capture
- High performance battery for full shift

GOOD

DS2200
- Easy to deploy, easy to use, easy to manage
- Attractive price point
- First time, every time scanning on essential 1D and 2D barcodes

CS4070-SR
- The perfect bluetooth companion scanner for your tablets and smartphones
- Pocket-sized; cost effective
- Facilitates easy transactions, anytime, anywhere on the retail floor

CS4070-HC
- The perfect bluetooth companion scanner for your tablets, in-room computers and carts for healthcare
- Vibrate modes to minimise patient disturbances at night
- Easier to customise for your EMR, EHR and other applications

RFD2000 RFID Sled
- Ergonomically designed; compact and lightweight device for full shift use
- Add RFID to your TC20 mobile computers
- Single charging cradle for TC20 and RFD2000

INDUSTRIAL PRINTERS

BEST

ZT600 Series
- Best-in-class, high-resolution printing
- Easy to operate and troubleshoot
- Manage anywhere with Link-OS

ZT510
- Withstands the harshest environments
- Engineered for 24/7 operation
- Manage anywhere with Link-OS

ZE500
- Large display can be rotated or remotely located
- Swings open for fast, simple maintenance.
- Innovative modular drive system can be quickly replaced

BETTER

ZT400 Series
- Lit media and ribbon paths make it easy to see inside; even in dim environments
- Manage anywhere with Link-OS

GOOD

ZT200 Series
- Simplified, side-loading design
- Colour-coded cues make loading media and ribbons intuitive
- Manage anywhere with Link-OS

DESKTOP PRINTERS

BEST

ZD620*
- Easy configuration and printer management with the optional colour LCD and 10-button user interface
- Comprehensive connectivity options
- Manage anywhere with Link-OS

*Healthcare Model available

ZD5OO
- UHF RFID capabilities in a desktop printer
- Manage anywhere with Link-OS

GX400 Series*
- Extensive media handling options
- Pocket-sized; cost effective
- LCD display optional

*Available in selected SKUs

ZD510-HC
- Suitable for hospital patient identification and guest identification at hospitality venues
- Withstands most hospital disinfectants

BETTER

ZD420*
- Best-in-class print quality
- Field installable communication or media handling options
- Healthcare version available
- Manage anywhere with Link-OS

*Healthcare Model available

ZD410*
- Smallest printer in its class
- Field installable communication or media handling options
- Manage anywhere with Link-OS

*Healthcare Model available

GT800
- Wide range of advance functionality
- 300 meter ribbon capacity

GK420*^
- Top selling desktop printer in the world
- Ideal for moderate volume printing applications
- Healthcare model available

*Healthcare Model available
^Available in selected SKUs

GOOD

GC420
- Feature-rich, competitively priced
- Peeler/dispenser option

MOBILE PRINTERS

BEST

ZQ600 Series
- Colour display
- Latest wireless connections for faster, more reliable and more secure printing
- High capacity PowerPrecision battery and Power Smart Print Technology

ZQ500 Series
- Industry's most rugged mobile printer with Mil-Spec certification and IP54 rating
- User-friendly interface that is easy to operate even with gloves
- Simple to manage, maintain and integrate with Link-OS

QLn420
- Easy to integrate and manage remotely with Link-OS
- Cloud Connect, WLAN and Bluetooth 3.0
- Range of accessories and supplies, including forklift mounts

BETTER

ZQ300 Series
- Different designs to accommodate vertical applications
- Easy Bluetooth remote management
- Maximum charging options for large or small deployments, in-vehicle or at-home charging

GOOD

ZQ110
- Small, compact size that easily fits in your pocket
- Competitive and affordable price with great Zebra quality
- Use with the latest smartphones and tablets

CARD PRINTERS

BEST

ZC10L
- The only large-format, direct-to-card printer that can produce full, edge-to-edge cards in one process
- Eliminates wasted stock and inventory hassles

ZXP Series 9
- Zebra's only re-transfer card printer for added security
- "Best" mode printing improves image quality
- Best-in-class printing, encoding and laminating throughput

ZXP Series 7
- High performance process, print up to three jobs at the same time
- Offers numerous options, including UHF encoding and wireless connectivity

BETTER

ZC300 Series
- Easy to use colour display interface
- Optional flipper module
- Single or dual-sided card printing with USB and Ethernet connectivity as standard

GOOD

ZC100
- Smallest footprint in its class
- Easy to use product design including a new interface
- Single-sided card printing only with USB connectivity as standard

---

SOLUTIONS

ZEBRA SMARTPACK™ Trailer

Zebra SmartPack
- Correct errors, improve cargo stacking and pack trailers more efficiently
- Load trailers more quickly and accurately

ZEBRA SMARTLENS™ For Retail

Zebra SmartLens
- Eliminates out-of-stocks and ensures associates can always locate items
- Prevents shrink and theft

ZEBRA MOTIONWORKS™

Zebra MotionWorks
Get technology that gives you a competitive edge with Zebra MotionWorks location solutions. It not only tracks all your critical assets, people and goods, but delivers the kind of actionable insights that ramp up productivity, boost efficiency and, ultimately, improve your business.

ZEBRA SAVANNA™

Zebra Savanna
Centralized data intelligence platform that gives applications the power to take information from Zebra mobile devices, scanners, printers and 3rd party Internet of Things (IoT) devices, and turn it into actionable insights.

GLOBAL SERVICES*

Signature Services

Built on Zebra's unique IP in this area and 40 years of innovation in connected edge technologies, Zebra Signature Services accelerate your ability to unlock intelligence from your front-line devices, giving your enterprise a performance edge. Covering everything from mobile and IoT devices to printers, you gain the capability to act upon real-time data to run your business more productively.

Benefits:
- New Sources of Business Transformation
- Rapid ROI Through Project Success and User Adoption
- Accelerated Business Outcomes

Zebra OneCare™ Support Services

Maximize availability and business operations, while protecting your investment to ensure your Zebra devices achieve maximum uptime and peak performance. Enable predictable performance, critical operations and improved business outcomes while eliminating unbudgeted repair expenses.

Choose from three service levels:

Zebra OneCare Essential
Basic Assurance. Base comprehensive repair services,software support including LifeGuard security updates, 8x5 technical support (plus 24x7 online access to support), 3-day repair turn-around repair service levels, Device Diagnostics** and Support Dashboard***.

Zebra OneCare Select
Maximum Protection. Essential service PLUS next business day advanced device replacement, commissioning services (app loading & config mgmt), and 24x7 helpdesk support.

Zebra OneCare Premier
Highest level of service delivers a truly differentiated service experience, which includes all the features of Essential and Select, plus Operational Visibility Service, software release management, service delivery manager, and managed device service desk.

Zebra OneCare™ Visibility Services

Going beyond traditional repair services, Zebra OneCare offers additional options to deliver advanced visibility and predictability into your operations to help you maximize the performance of your critical assets. Zebra's Visibility Services Portfolio gives you important insights into the usage and performance of your mobile computing devices and Zebra Link-OS, network enabled printers.

Asset Visibility Service (AVS)
This quickly activated subscription-based service provides at-a-glance visibility into asset and health data across all your Zebra mobile computers, Link-OS networked printers and smart batteries — no onsite equipment or MDM/EMM required.

Operational Visibility Services (OVS)
Powerful integrated device management platform via a single pane of glass on a cloud-based portal - providing a management solution with advanced visibility far beyond what an EMM solution alone may offer. Get deep visibility into your mobile computers and printers to help you maximize workforce productivity and business efficiency.

* Service availability, Service feature and/or repair turn-around time may differ by country. Please contact your Zebra sales representative for details.

ZEBRA

Certified Supplies

Exceptionally Consistent, Consistently Exceptional
Printing supplies can impact everything from printhead lifespan to operational efficiency. That's why we produce our own line of thermal printing supplies to ensure consistent, optimized performance in your Zebra printer—and peace of mind for you.

With Zebra Certified Supplies, you get:

Unmatched thermal printing expertise: over 30 years of experience in producing products of exceptional quality

Exceptional service: Zebra has the scale and infrastructure to meet your printing supply needs quickly and effectively

Consistently outstanding quality: we subject every item to rigorous testing, ensuring premium craftsmanship and durability

Increased efficiency and productivity: because our printing supplies are so consistent, workers experience fewer hassles and require less IT assistance, reducing downtime

Lower total cost of ownership: wear and tear is reduced, and the need to reprint and replace labels due to poor quality is virtually eliminated

Flexibility and convenience: customize products to meet your unique needs, or get hundreds of in-stock products quickly with our ZipShip™ service
